From the Principal's Desk

Over the last fortnight our school has been a busy little place with a variety of activities occurring. We started off with our show case afternoon which gave parents, grandparents and community members the opportunity to see the great things happening at our school. It was a fantastic afternoon and was truly inspiring to watch the students proudly showing their learning to our visitors. I would like to thank all those that were able to attend and share the afternoon with us.

Last Tuesday we travelled to Barham Public School for the District Athletics Carnival, all students should be congratulated for their effort on the day. Congratulations to Harriet Jones who was the 11years girl overall champion on the day. Logan Fitzgerald, Harriet Jones, Beau Butler and Jack Jones will compete at the Riverina carnival in Albury next Friday; we wish them all the best of luck!

At the end of last week I attended the Primary Principals' Association annual conference in Moama. The theme of the conference was full steam ahead and this provided me with strategies and knowledge to effectively manage and implement change in the school setting. As always I have returned with a variety of new ideas and look forward to working with students, parents and the community to develop further progress in all areas across our school.

Have a great fortnight!
