This term K-6B has been developing their portrait creating skills with Mrs Bevan in Visual Arts. Students have been learning about portraits and the many different types of portraits that can be created. K-6B studied the different facial features on a face and reproduced these characteristics using modelling clay. As you can see, the similarities are uncanny!

# Do you have a child in year 4, 5 or 6?

Have you missed out on thousands of dollars?

In 2001 the Government introduced the 'First Child Tax Offset' and surprisingly many Australians did not know about it and have NOT claimed any benefits.

If you have **ANY** child that was born between **1 July 2001 and 30 June 2004** you may be eligible to receive up to \$12,500 of entitlements.

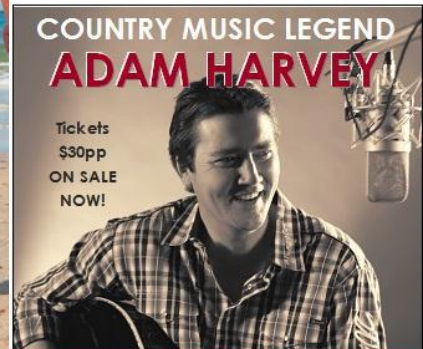

The government has a 30 June 2014 deadline on this entitlement so please email [childoffset@twelve.com.au](mailto:childoffset@twelve.com.au) today to receive more information.
