Challenges and learning - the heart of our community

Term 4, Week 2

Newsletter Date: Wednesday 19th October 2016

From the Principal's Desk

Dear Parents and Community Members

What an amazing start we have already had to our final and extremely busy Term 4. We have a wide range of learning experiences and opportunities for students.

This term students are participating in a pilot programme where they are learning Chinese online with a tutor from Beijing. This is a wonderful experience for the students as it allows them the opportunity to learn about another culture and language without leaving the comforts of our own school.

Last week we were lucky enough to have a visit from GWS Giants players Jake Barrett and Rory Lobb. During their visit, Jake and Rory signed a plethora of autographs for the students, had a kick of the footy and got to experience life out here at Clare whilst visiting neighbouring properties. Both Jake and Rory thoroughly enjoyed their short time here at Clare and have guaranteed that they will return.

By now all families should have received a draft copy of the new Student Welfare Policy, this was sent home as part of the consultation phase of it's implementation. As the policy is currently in draft form, any community feedback would be greatly appreciated before the policy is finalised.

Please keep an eye on the calendar, school website and Facebook page for up coming events and dates of importance.
