Clare Connection

Kathy's Corner

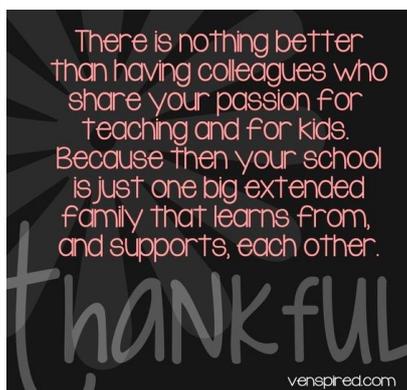

Term 3, week 10 and what an interesting term it has been!.

My favourite term may have been interrupted due to Learning From Home impositions but there have been some fabulous memories. We hope you enjoy our pictorial tribute to all families, celebrating the rich variety of activities and learning experiences you provided. I am sure the kids will treasure these few weeks forever.

It also seems to have been a term for showing appreciation.

Firstly to our parents, thank you for your 100% commitment to 'our children's' learning. Your daily sharing of emails, messages, phone calls and photos brought smiles everyday. The way you all embraced true collaboration by asking questions, contributing your thoughts and reflections on learning strengths and areas for further development were inspirational. One of the goals in our 2021-2024 school plan is to build a nurturing and engaging learning culture and I feel that one of the positives to emerge from this learning from home experience has supported this goal immensely.

This term we also celebrated our SASS staff. Without Deb, Kara and Mick we would be a much sadder, and less efficient place. I am thankful for all that they do.

Lastly, we thank Ms English (Jen) for enriching our lives. We wish Jen and Bevan a fabulous reunion with their children, and a safe trip to Germany.

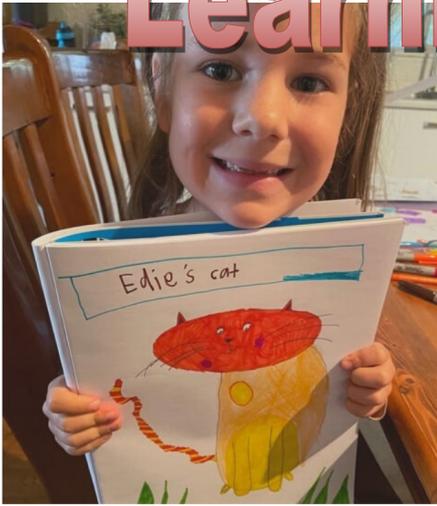

Jen has helped me enormously this year as I settled into Clare PS and she will be missed.

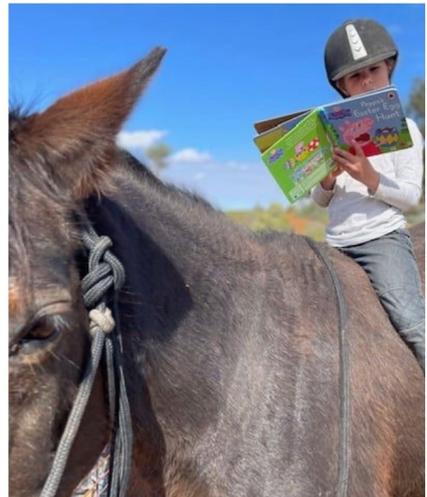

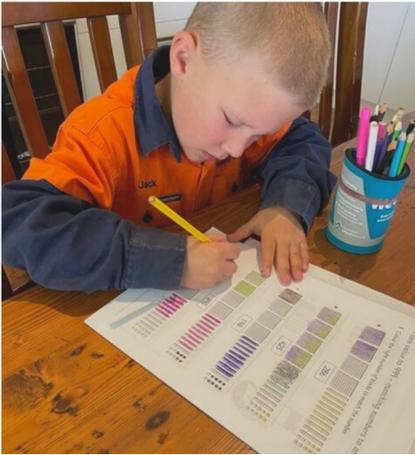

Wishing you all a wonderful break and we'll see you on October 5, 2021.

Keep smiling!
