### **Clare Connection**

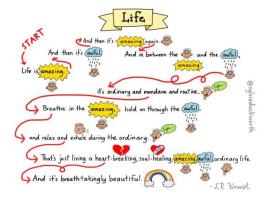

### Kathy's Corner......

I hope this message finds you all in good health and high spirits. As we approach the end of our first Semester, I would like to take this opportunity to express my gratitude to everyone who has contributed to helping our children succeed and thrive.

Together, as a collaborative and supportive community, we have strived to learn to listen to each other and respect the needs of all. We have continued to nurture a warm and inclusive school culture where every child feels valued and supported. Our collective efforts have created a space where learning thrives. Our children really are the most delightful resource we share so let's keep giving them our best.

I would like to acknowledge Annabelle Harris and Jack Griffiths for the way they have thrown themselves into the responsibility of being our School Captains. Each day they make us smile; from their raising of the flag in the morning to our pack ups in the afternoon, they model leadership and they mentor our younger children. Thank you, Annabelle and Jack!

Self regulation, resilience and growth mindset are always our focus and this term we have enjoyed some funny, not so funny, yet always honest and real chats about the daily grind of learning and moving forward. Supporting our children to navigate the ups and downs is a part of teaching that we do so well at Clare PS, and it is what makes spending each day with your children so much fun. I hope you enjoy this infographic. May you have a breathtakingly beautiful holiday. We'll see you on the 18th July!

Keep Smiling! Kathy Bourke- Teaching Principal

## CROSS COUNTRY

2023

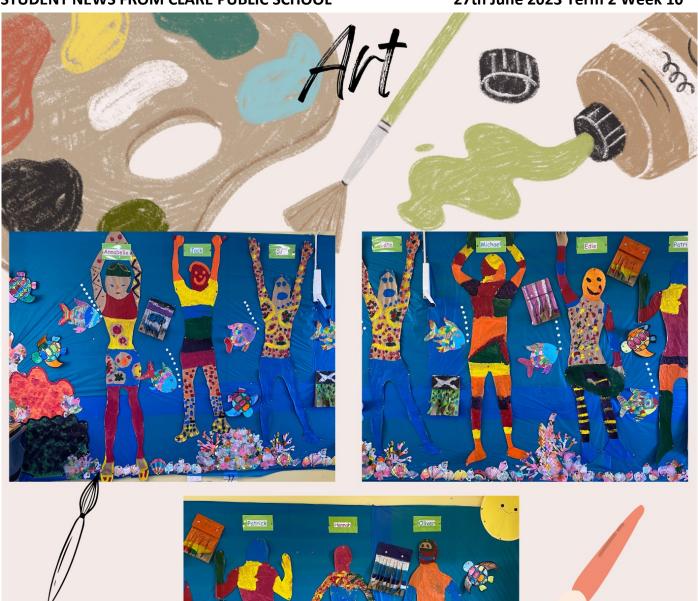

Small Schools Cross Country was held on the 25th of May at Buronga and was a combination of small school carnival and zone carnival. The students all ran well and gave it their best. From all accounts it was a great day with all students still smiling at the end of their races!
